PROHIBITED SUBSTANCE GENERAL ADVISORY

To: All Trainers, Owners, Grooms, Jockeys and other interested persons

From: The Barbados Turf Club

Date: 7th May, 2019

You should assume that any medication or supplement (including herbal substances) that has, or claims to have, an effect on horses (or any other species) is prohibited. You should therefore seek written advice from the Barbados Turf Club through any of its appointed Veterinary Officials concerning the administration of any medication or supplement.

Please refer to the International Federation of Horseracing Authorities website www.ifhaonline.org or the British Horseracing Authority website www.britishhorseracing.com for guidance, and for further advisories and updates with regards to prohibited substances and to view a comprehensive list of prohibited substances, medications and substances with threshold levels.

If you require any further information or need assistance in acquiring a list of prohibited substances, please submit a written request to the office of the Barbados Turf Club and we will endeavour to provide you with this information.

Please be guided accordingly.
