NOTICE

**TO: ALL OWNERS, TRAINERS, AUTHORIZED AND REGISTERED
AGENTS AND GROOMS**

DATE: THURSDAY 9TH MAY, 2019

**SUBJECT: IDENTIFICATION OF HORSES ENTERING THE VAL GALE AND GORDON
LEWIS PADDOCKS**

Please be advised that you must notify the offices of the Barbados Turf Club when a horse is entering any of the Club's paddocks for the first time. Only horses which are duly registered with the Club may enter our facilities. All horses must be identified by having their microchips scanned and read by an Official of the Barbados Turf Club in order to gain entry.

Equine Influenza vaccination records must also be presented and checked to ensure they comply with the requirements set out in the Rules of Racing of the Barbados Turf Club.

If a horse's microchip is unreadable / undetectable then the horse will be identified by the markings on its registration form and the trainer will be given forty-eight hours to have the horse re-micro chipped.

For Horses which are removed from the paddocks at any time outside of the period designated for morning workouts, permission must be sought from the office of the Barbados Turf Club for re-entry. All horses must be identified by having their microchips scanned and read by an official of the Barbados Turf Club and an updated vaccination record may be required.

Please be guided accordingly.

Rosette Peirce
Secretary/CEO – Barbados Turf Club
