<b>ERRATA</b> .....	28
<b>ADDENDA</b> .....	30

## ELIGIBILITY

Any horse claiming admission to the Barbados Stud Book, should be able:

to be traced in all lines of its pedigree to horses already appearing in earlier volumes of the Barbados Stud Book (Volume 1 of which was published in 1972) or the General Stud Book. Horses so appearing therein shall be designated “Thoroughbred” or

to prove satisfactorily eight recorded “thoroughbred” crosses consecutively including the cross of which it is the progeny and show such performances on the Turf in all sections of its pedigree as to warrant its assimilation with “thoroughbreds”.

to prove that it is the produce of a mating between sire and dam, (namely, the result of a stallion’s natural service with a broodmare which is the physical mounting of a broodmare by a stallion, and a natural gestation must take place in, and delivery must be from, the body of the same broodmare in which the foal was conceived. As an aid to the natural service, a portion of the ejaculate produced by the stallion during such cover may immediately be placed in the uterus of the broodmare bred (reinforcement).

In addition to the documentary evidence of a foal’s parentage the Barbados Stud Book may require further evidence by the use of parentage testing based on either:-

Blood typing; or  
DNA Typing

## STATISTICAL ANALYSIS

The following is an analysis of live births for the years 2016 to 2019

	<u>2016</u>	<u>2017</u>	<u>2018</u>	<u>2019</u>
Colts	39	30	39	39
Fillies	42	29	38	27
Sex not given				
Total	81	59	77	66

## COAT COLOURS

The following are the coat colours recognized by the Barbados Turf Club

BAY  
DARKBAY OR BROWN  
BLACK  
CHESTNUT  
GREY OR ROAN
