## COMPACT FIELD FOR GRADE 2 MICHAEL PARRAVICINO

A compact but intriguing field of five will line up for the Grade 2 Michael Parravicino Memorial, a race that has earned a reputation for showcasing emerging quality and classic aspirations. While the field may be small, the depth of talent ensures this year's renewal will be anything but straightforward, with unanswered questions converging at the start.

This Grade 2 feature is set for an off time at 4.55 PM and will be run as race 7 of an 8-race card.

**Pavlova** enters the contest as one of the favourites. The lightly raced filly announced his arrival with authority when winning at the third time of asking, a performance that suggested more is to come. The victory was notable not only for the result but for the manner in which it was achieved, travelling smoothly before going on to an impressive two-length win.

**Jethro** comes into the Parravicino Memorial off a confidence-boosting last-start-win. It was only his second start, and if he can reproduce that effort, he would not be out of place against these rivals.

The standard bearer of the field, however, is undoubtedly **Ariel**, already a graded stakes winner. A Grade 1 winner of the Elliott Williams Juvenile, **Ariel** was very unlucky in her last start, and the key question is whether she can reassert her dominance over this field.

**Ultrasound** already has a win on his career resume and has finished in the runner-up position in his last two starts.

**Atarah**, meanwhile, represents the unknown factor. After six career starts, she is the only maiden in the field, so she would need a career-best performance to trouble the principals.

# RACE ANALYSIS.....

## RACE 1: REALTORS LIMITED TROPHY

**Lovely** is the highest rated here and is the expected favourite. **Priceless** always runs an honest race and could have a say in the outcome. Keep an eye on **Filmoes**.

## RACE 2: JOANNE PARRAVICINO MEMORIAL TROPHY

**Show The Milk** was a good second last time and could go one better. **Red Eagle** could benefit from the 3lb apprentice claim and is an obvious danger. **Princess Julia** could spring a surprise.

## RACE 3: SHEILA PARRAVICINO MEMORIAL TROPHY

**Relentless** gets the nod here to get first career win. **Elektra** is another to consider closely with a drop back in trip. **Aspire** can complete the top three.

## RACE 4: POINT OF VIEW HANDICAP

**Premise** seeks a third straight win. **Bahari Cove** disappointed in his latest effort, but should run a better race here. **Letitbeme** is likely to fare best of the remainder.

## RACE 5: CONDOMINIUMS AT PALM BEACH HANDICAP

**Rockin Robin** finished a close second in his last start and is fancied to get the win. **Miss Universe** should not be underestimated. **Early Riser** returns after a layoff but has won his last two starts.

## RACE 6: SANDALWOOD HOUSE HANDICAP

**Wonderwall** should make a bold showing here. However, the pair of **Détente** and **Gayzed** both merit consideration.

## RACE 7: MICHAEL PARRAVICINO MEMORIAL HOPEFUL BREEDERS STAKES

A very competitive renewal of this year's edition with **Arie**, **I Ultrasound** and **Pavlova**, the principals. However, **Jethro** is also expected to be in the reckoning.

## RACE 8: 'NICK' PARRAVICINO MEMORIAL TROPHY

**Major Dan's** good form should continue, but he could find **Caspian Sea** a major threat. **Brilliant News**, fourth last week is also in the equation.
